As you are probably aware, there is a special day this week, VE Day (Victory in Europe Day), which is on May 8th. As a school we are going to be celebrating this by having a themed day on the 7/5/2020. On this day I will upload some special activities for you to complete, some of them we will be doing as a whole school and I would like everyone to create their own Union Jack Flag and put it up in their window, to celebrate and say thank you to all those soldiers, who lost their lives during the war. There will be a letter, to explain the other activities for this day, sent out. The rest of the work uploaded for this week can be completed up to Wednesday, do not worry if you do not complete it by then.
